

National Environmental Art Contest 2007

The art contest is held for students in grades 3 through 5 and 6 through 8. Contest submissions for the art contest are judged on creativity, relation to an aspect of the environment and overall design. Twelve winners in each grade category of the contest will have their artwork published in one of the two on-line calendars.

Art Contest Rules:

1. Artwork of any media (drawing, painting, coloring, photograph, photo-collage, mixed media, or computer generated art) may be submitted. All work must be on "8 1/2 x 11" paper.
2. Limit work to one page or one photo. No more than one entry per student.
3. Submission must be of original artwork not a photo copy.
4. A separate page must be taped to the backside which includes name, grade, teacher's name, school name, address, and telephone number.
5. Artwork and photographs can relate to any aspect of the environment.
6. Up to 25 words may be used in artwork.
7. Entries become property of IEE / WERC. Submissions will not be returned.
8. Entries can be submitted anytime, but must arrive at the IEE / WERC office by November 30, 2007.
